CALL FOR TENDER: TMFA 002/2014

TITLE: Service Tender for Architectural and project management services for projects overseas (Libya – Misurata & Benghazi)

Clarification Note 1

Question:

Reference is made to the architectural fee for the professional services of the above mentioned tender. Are there any plans/drawings for the projects so that I can come up with a quote? If not how can I come up with a quote?

Answer:

No plans will be made available to the bidders at this stage in view of confidentiality. Note that the price being requested is not a holistic price for the entire project but a rate per hour for the services of a Consultant.
