

Visa Advice for Foreign Nationals

Opening Hours

The Embassy is open from Monday to Friday, from 09:00 to 17:00.

An appointment is required for visa applications. Please call on (+30)210 7785138 or send an email on maltaembassy.athens@gov.mt to book an appointment or to request further information on the visa application process.

Due to seasonal large number of applications, an appointment may not be available for several weeks. Applicants must book their appointments in good time before travel.

Visas

- *At the Consulate – Athens*

Visa applicants may submit their applications in person directly at the Consulate in Athens, via appointments only. Biometric data will be collected during the appointment using a quick, discreet, and non-intrusive process that captures a facial image with a digital camera and a fingerprint scan with a digital finger scanner. Your face must be clearly visible for a photograph to be taken.

The Application Form

Click [here](#) to download an Application for Schengen Visa. Additional documentation needs to be provided to support the application form. Refer to the section below for more information.

Mere possession of a visa does not confer an automatic right of entry to the Schengen zone. Visa holders are requested to present proof that they fulfil the entry conditions at the external border.

Consular Websites

- *Required Documentation*

Visa applications must be in writing with all details filled in. The application must be wholly and legibly completed and signed by the applicant.

The Consulate may ask applicants for any other supporting documents it deems necessary. To this effect, it is recommended that applicants contact the Consulate beforehand for further details. The full list of which documentation is required can be found [here](#).

- *Application Processing*

Applications for Schengen Short-Stay Visas (C Visa) shall be lodged no more than 6 months, and for seafarers in the performance of their duties no more than 9 months, before the start of the intended visit, and, as a rule, no later than 15 calendar days before the start of the intended visit.

Applications shall be decided on within 15 calendar days of the date of the lodging of an application which is admissible. That period may be extended up to a maximum of 45 calendar days in individual cases, notably when further scrutiny of the application is needed.

Some Schengen States require that they are consulted on visa applications submitted to other Schengen States by citizens of certain countries. The consultation process may take up to 7 calendar days. Such consultation is currently required for nationals of the countries listed on the following [list](#).

The Embassy will not be liable to loss of travel expenses due to late submission of applications.

- *Passports and Fees*

Passports must be valid for at least 3 months after the intended date of departure from Malta for a single entry Schengen visa, and must have at least two blank pages.

Kindly note that only passports that have been issued during the past ten years can be endorsed with a visa. Travel documents (passports) issued more than 10 years prior to the visa application, will not be accepted, and applications based on such travel

documents will not be considered admissible. Applicants are kindly requested to apply for a new passport at their Embassy or High Commission.
