The Evaluation Committee shall, after having obtained approval by the Director General Contracts/Departmental Contracts Committee, request rectifications in respect of incomplete/non-submitted information pertinent to the documentation as outlined in sub-Clause 16.1(a), 16.1(b), 16.1(c), 16.1(d) and 16.1(e)(i) of these Instructions to Tenderers. Such rectification/s must be submitted within five (5) working days from notification, and will be subject to a non-refundable administrative penalty of €50: failure to comply shall result in the tender offer not being considered any further. No rectification shall be allowed in respect of the documentation as outlined in sub-Clause 16.1(e)(ii), and 16.1(f) of these Instructions to Tenderers. Only clarifications on the submitted information in respect of the latter may be eventually requested..

### **30.3 Part 2: Eligibility and Selection Compliance**

Tenders which have been considered administratively compliant shall be evaluated for admissibility as outlined below:

#### *(i) Eligibility Criteria*

- Tender Form (Volume 1, Section 2)

#### *(ii) Selection Criteria*

- Evidence of technical capacity (sub-Clause 6.1.2)

#### 30.4 Part 3: Technical Compliance

#### 30.5 Part 4. Financial Evaluation

The financial offers for tenders which were not eliminated during the technical evaluation (i.e., those found to be technically compliant) will be evaluated.

The Evaluation Committee will check that the financial offers contain no arithmetical errors as outlined in Clause 31. The financial evaluation will have to identify the best financial offer

### 31. Correction of Arithmetical Errors

## F. CONTRACT AWARD

### 32. Criteria for Award

32.1 The sole award criterion will be the price. The contract will be awarded to the cheapest priced tender satisfying the administrative and technical criteria.

### 33. Right of the Contracting Authority to accept or reject any Tender

33.1 The Contracting Authority reserves the right to accept or reject any tender and/or to cancel the whole tender procedure and reject all tenders. The Contracting Authority reserves the right to initiate a new invitation to tender.

33.2 In the event of a tender procedure's cancellation, tenderers will be notified by the Contracting Authority. If the tender procedure is cancelled before the outer envelope of any tender has been opened, the sealed envelopes will be returned, unopened, to the tenderers.

33.3 Cancellation may occur where:

- (a) the tender procedure has been unsuccessful, namely where no qualitatively or financially worthwhile tender has been received or there has been no response at all;

**In no circumstances will the Contracting Authority be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a**

#### **34. Notification of Award, Contract Clarifications**

- 34.1 Prior to the expiration of the period of validity of tenders, the Contracting Authority will notify the successful tenderer, in writing, that his tender has been recommended for award by the Evaluation Committee, pending any appeal being lodged in terms of Part II Reg 21 (3) of the Public Procurement Regulations (being reproduced in Volume 1, Section 6).

- 35.1 After the lapse of the appeals period, and pending that no objections have been received and/or upheld, the successful tenderer may be invited to clarify certain contractual questions raised therein. Such clarification will be confined to issues that had no direct bearing on the choice of the successful tender. The outcome of any such clarifications will be set out in a Memorandum of Understanding, to be signed by both parties and incorporated into the contract.
- 35.2 Before the Contracting Authority signs the contract with the successful tenderer, the successful tenderer may be requested to provide the documentary proof or statements required to show that it does not fall into any of the exclusion situations listed in Tenderer's Declaration of the Tender Response Format. The above mentioned documents must be submitted by every member of a Joint Venture/Consortium (if applicable).
- 35.3 The Contractor shall, within 15 calendar days of receipt of the contract, sign and date the contract and return it together with a copy of the Performance Guarantee. The Contractor is further obliged to forward the original performance guarantee to the Contracting Authority. The Contracting Authority will not effect any payment to the contractor until the performance guarantee is submitted.
- 35.4 If the selected tenderer fails to sign and return the contract, other required documentation, and any guarantees required within the prescribed 15 calendar days, the Contracting Authority may consider the acceptance of the tender to be cancelled without prejudice to the Contracting Authority's right to seize the guarantee, claim compensation or pursue any other remedy in respect of such failure, and the successful tenderer will have no claim whatsoever on the Contracting Authority.
- The tenderer whose tender has been evaluated as second cheapest may be recommended for award, and so on and so forth.
- 35.5 Only the signed contract will constitute an official commitment on the part of the Contracting Authority, and activities may not begin until the contract has been signed by the Contracting Authority and the successful tenderer.
- 35.6 The performance guarantee referred to in the General Conditions is set at 10% of the amount of the contract and must be presented in the form specified in Volume 2, Section 4, to the tender document the performance guarantee shall be released within 30 days of the signing of the Final Statement of Account (Final Bill), unless the Special Conditions provide otherwise.

- 36.2 The Contractor must inform the Contracting Authority's representative by return that he has received the notice.

### **37. Ethics Clauses**

- 37.2 Without the Contracting Authority's prior written authorisation, the Contractor and his staff or any other company with which the Contractor is associated or linked may not, even on an ancillary or sub-contracting basis, supply other services, carry out works or supply equipment for the project. - 37.8 The contract governs the Parties' use of all reports and documents drawn up, received or presented by them during the execution of the contract.
- 37.9 The Contractor shall refrain from any relationship likely to compromise his independence or that of his staff. If the Contractor ceases to be independent, the Contracting Authority may, regardless of injury, terminate the contract without further notice and without the Contractor having any claim to compensation.
- 37.10 The tender(s) concerned will be rejected or the contract terminated if it emerges that the award or execution of a contract has given rise to unusual commercial expenses. - 21(1) Where the estimated value of the public contract exceeds twelve thousand euro (€12,000) and is issued by an authority listed in Schedule 1, any tenderer or candidate concerned shall have a right to make a complaint to the Review Board in accordance with this regulation.
- (2) (a) The contracting authority shall be obliged to issue a notice and affix an advertisement, in a prominent place at its premises, indicating the awarded public contract, the financial aspect of the award and the name of the successful tenderer. The contracting authority shall be precluded from concluding the contract during the period allowed for the submission of appeals.  
(b) The award process shall be completely suspended if an appeal is eventually submitted.
